Schuco 219882 Flush Bolt

Price: £0.00

Ex VAT: £0.00

Short Description
Item now obsolete - use 240717 as a direct replacement.

Description
Obsolete Schuco 219882 Lever Flush Bolt

Schuco 219882 lever flush bolt, for doors with add-on meeting rail profile. Lever bolt lock with hinged lever operation from the case front.
Face plate 24 x 285mm
Brushed stainless steel
20mm stroke
Connection thread M10

219882 is no longer available and has been replaced by 240717.
If using 240717 as a retro fit for 219882 the shootbolt rods (227812) may need changing as well, depending on how much bolt cover there is into the keeps.
