Description

Kirkpatrick Black Antique Iron 8" Curly Tail Casement Stay

Classic black antique curly tail casement stay that will enhance and aid the look and operation of any wooden casement window.

Manufactured from malleable iron to combine elegance, quality and durability with classic curly tail design.

This casement stay can be used with both left and right handed windows

Part number 1180-8

Kirkpatrick have been producing the highest quality malleable iron at its foundry in Walsall since 1855. The heritage and traditional skills and methods which have been passed down through the generations, combined with more modern technology, enable them to offer the largest range of Black Architectural Ironmongery available anywhere in the World.
