Helpful Hint

Schuco have two handles that look exactly the same, but have different spindle lengths.

Not sure which handle you need? Check the thickness of your profile at the hinged end of your door (inside to outside). This handle is for the 80mm profiles.

If you have 50mm or 70mm profile thickness, please see the related products for the correct handle.

If you are unsure about your requirements please call our offices for advice before ordering. We are happy to point you in the right direction.
