

## Siegenia Tilt Slide Patio Door Top Track Glider Runner Blocks and Key

**Price: £0.00**

**Ex VAT: £0.00**

### Description

#### Obsolete Siegenia Tilt/Slide Top Track Glider Block and Key

Replaced with [Siegenia Slider / Glider kit](#)

- Consists of a kit of one pair of glider blocks and key
- The gliders usually fail by breaking in half, but can be easily replaced. The gliders guide the door into position - when they fail they should be replaced immediately as there is a risk that the patio door could detach and fall out.
- We recommend that both gliders should be replaced at the same time to prevent uneven wear, and because if one has failed there is the risk that the other may fail as well.
