

Siegenia Tilt Slide Patio Door Top Track Glider Runner Blocks and Key

Price: £25.92

Ex VAT: £21.60

Description

Siegenia Slider / Glider kit

Kit includes 2 x Glider blocks and 1 x Key

Used on Siegenia PSK 160 Tilt/Slide Patio Doors

The gliders usually fail by breaking in half, but can be easily replaced.

The gliders guide the door into position – when they fail they should be replaced immediately as there is a risk that the door could become detached and fall out.

We recommend that both gliders should be replaced at the same time to prevent uneven wear, and because if one has failed there is a risk that the other may fail as well.

Glider block dimensions – 86mm long x 16mm x 12mm

These 86mm gliders are suitable as replacements for the earlier shorter version.
