- One Pair of roller carriages for DIN LH tilt/slide door
- For doors up to 180kg
- A DIN LH door is a door which opens towards the left, when viewed from inside

Please go to [276166](#) for the right hand version

This is an original Schuco part from our U.K. based stock.

We are an authorised Schuco distributor and can source and supply all available Schuco parts.

TOP TIP

You can check which weight door fittings you need without removing the door.
Compare the photos on this item with your bottom roller to identify the products you need.

PLEASE NOTE

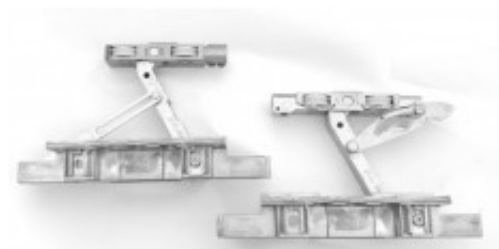

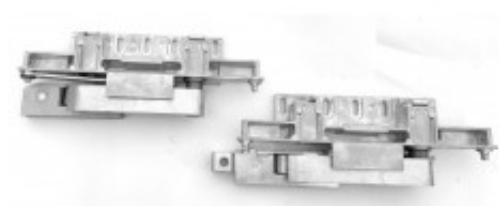

There are other variations of Schuco hinges that look similar to this but have a different

function. If you are unsure about your requirements please call our offices for advice before ordering. We are happy to point you in the right direction.

Please see our terms and conditions for returns.
